Bright Schools Program

Notice of Reopening of Technical Assistance Program

Effective November 08, 2012, the Energy Commission is reopening the Bright Schools Program and is accepting applications. The Bright Schools Program provides a wide range of technical assistance to public K-12 school districts.

Typical Services Include

- Conduct energy audits
- Review existing proposals and designs
- Develop equipment performance specifications

All publicly funded California K-12 school districts are eligible for assistance from the Bright Schools Program.

The program application is available from the Energy Commission's website at:

<http://www.energy.ca.gov/efficiency/brightschools/index.html>

Please call the Public Programs Office at (916) 654-4104 or by E-mail at pubprog@energy.ca.gov with any questions.

News media should direct inquiries to the Media and Public Communications Office at (916) 654-4989, or by e-mail at mediaoffice@energy.ca.gov

Notice Date: November 08, 2012
